Hi. Does this phone number belong to Lavonne Wadsworth?

Lon Wadsworth ([16:20](#)):

It does.

Det. McPhie nka Merrell ([16:22](#)):

Hey, this is Deputy McPhie with the Sweetwater County Sheriff's Department. Hey, I was just wondering if you guys are, it was kind of jumbled between tears and stress and everything like that. Are you guys heading over kind of towards your, I believe it's your daughter's house, the one that's on fire right now.

Lon Wadsworth ([16:44](#)):

Are we headed over there?

Det. McPhie nka Merrell ([16:46](#)):

Yeah, so I'm at the entrance to the house on 3 74 with all the kiddos. Mom is getting taken to the hospital. She got loaded up right away and is headed to the hospital, but I have all the kiddos over here with me.

This transcript was exported on Feb 13, 2025 - view latest version [here](#).

Lon Wadsworth ([17:01](#)):

Okay. My wife is on her way over there right now.

Det. McPhie nka Merrell ([17:06](#)):

Okay, perfect. Perfect. I thought that's what everyone was saying. I just wanted to make sure that that was the plan.

Lon Wadsworth ([17:13](#)):

Can you tell me the condition of Stephanie?

Det. McPhie nka Merrell ([17:16](#)):

So she's pretty burnt up. She has pretty good exterior burns and some burning probably in her throat it sounds like. So she's, I'm not going to lie. She's pretty burnt up, so she's getting rushed right over to the hospital and one of her kiddos, [REDACTED] is heading over there with her because he has burns on his legs just like on his knees.

Lon Wadsworth ([17:45](#)):

Okay.

Det. McPhie nka Merrell ([17:45](#)):

So he's heading over there in the ambulance with her, and so they're heading over there. You'll have to contact the hospital to figure out if they're going to life flight her over to Salt Lake, to the U of U burn center, or if they're going to just keep her here locally. But yeah, so she, she's already on her way over there. They loaded her up right away and took her, so.

Lon Wadsworth ([18:11](#)):

Okay. Yes. My wife should be over there

Det. McPhie nka Merrell ([18:16](#)):

In just a few minutes.

Lon Wadsworth ([18:17](#)):

Do you know if someone has communicated with Matt?

Det. McPhie nka Merrell ([18:21](#)):

So the dad, the oldest daughter, she was on the phone with him and he said that he is leaving Church in Dwight and on his way back. So it'll obviously take him a wee bit longer to get over here. So we'll just ship the kids over to your guys' house until dad gets over here. Does that work?

Lon Wadsworth ([18:39](#)):

That works? Yes.

Det. McPhie nka Merrell ([18:40](#)):

This transcript was exported on Feb 13, 2025 - view latest version [here](#).

Okay, perfect. Sounds good. Well, we'll see you, your wife here in just a few minutes then.

Lon Wadsworth ([18:47](#)):

She's over there somewhere right now

Det. McPhie nka Merrell ([18:49](#)):

She is, yes. Okay. I wonder if she went down to the house. I'll get ahold of my other deputies and see if she,

Lon Wadsworth ([18:57](#)):

Okay. Could you tell me where you are at?

Det. McPhie nka Merrell ([18:59](#)):

So we are, so at 374, as soon as you,

Lon Wadsworth ([19:04](#)):

Ma'am, where are you at on the property?

Det. McPhie nka Merrell ([19:08](#)):

I'm literally right at the entrance of 3 74 going into the property.

Lon Wadsworth ([19:13](#)):

Okay. Out by the highway?

Det. McPhie nka Merrell ([19:14](#)):

Yep. Yep. I'm sitting right there. Another truck stopped out and has the kiddos in his truck too, so we're just kind of waiting for someone to come pick him up. Okay. Okay.

Lon Wadsworth ([19:25](#)):

Okay.

Det. McPhie nka Merrell ([19:26](#)):

Alrighty. Thank you.

Det. McPhie nka Merrell (25:10):

Hey Matt, it's Deputy McPhie.

Matt Wadsworth (25:13):

Hi.

Det. McPhie nka Merrell (25:14):

Hey. So just to kind of give you an update, all of the kiddos are heading over to your mom's house.

(25:22):

She came and got 'em, so they're all heading over there. [REDACTED] and your wife are heading to the hospital. They are probably dang close to getting to the hospital. They left quite a few minutes ago, so they are on the way in, out to the hospital. [REDACTED] isn't too, too burn. He does have some burns on his knees. That's why they're taking him. And then your wife, she is pretty burnt up on the outside and then they do the ems said that they do believe that she might have some burnage in her throat and so they're taking her over there. It's obviously up to you if you want to go see your kiddos first over at your mom's house or just head straight to the hospital. But that's where your wife is going to be at here in the next few minutes.

Matt Wadsworth (26:08):

Okay. I'm passing Lowe's right now.

Det. McPhie nka Merrell (26:13):

Okay, perfect. So you're dang close then?

Matt Wadsworth (26:16):

Yep.

Det. McPhie nka Merrell (26:16):

Okay, perfect. So yes.

Matt Wadsworth (26:18):

How long ago did they leave for Rock Springs?

Det. McPhie nka Merrell (26:21):

Let's see. They left exactly 10 minutes ago and they're obviously running code there, so they should be getting there probably here in the next, I imagine three minutes they'll be getting to the hospital. I'm not sure if they're going to have to lifelight or anything like that. You have to because if they do Lifelighter, they'll get her out of here quickly, quickly, quickly. If they're going to Lifelighter. So just call the emergency room and they can tell you if they have to lifelight or not, if you have to head over to Utah. Okay?

Matt Wadsworth (26:50):

Okay. Okay.

Det. McPhie nka Merrell ([26:52](#)):

Okay, perfect. If you have any other questions, anything else, just give me a call back on this phone number. Okay.

Matt Wadsworth ([26:57](#)):

Are you still at my house?

Det. McPhie nka Merrell ([26:59](#)):

I'm not at your house. I am just at on 3 74 to the entrance of your house. So I haven't, I mean I see all the smoke, but I'm not even at your house. I haven't seen it yet.

Matt Wadsworth ([27:10](#)):

Is the fire out?

Det. McPhie nka Merrell ([27:12](#)):

I think that they're still working on getting it out from as much as I've heard is it is fully engulfed.

Matt Wadsworth ([27:26](#)):

Okay.

Det. McPhie nka Merrell ([27:26](#)):

Okay.

Matt Wadsworth ([27:28](#)):

Okay.

Det. McPhie nka Merrell ([27:29](#)):

Alrighty. Like I said, any other questions get ahold

Matt Wadsworth ([27:32](#)):

please don't pull me over when I pass.

Det. McPhie nka Merrell ([27:34](#)):

Assume when you get close, kind of slow it down. We do have some Green River PD officers on the road slowing people down.

Matt Wadsworth ([27:41](#)):

Okay.

Det. McPhie nka Merrell ([27:41](#)):

So just as you get close, kind of just slow it down a little bit to pull into your mom's house for me. Okay. But I won't touch you otherwise. Okay?

Dispatch ([28:58](#)):

Det. McPhie nka Merrell ([29:10](#)):

Copy.

Dispatch ([29:14](#)):

I just hang out there until that other ambulance comes and then we'll just have the ambulance come down and stay where we're

Det. McPhie nka Merrell ([29:25](#)):

Sounds good.
